Board's Refce. No. W.3206/43-1 dated 30-7-1943.

REFERENCE.

Submitted to the Government in continuation of the Board's Reference cited above.

2. The Collector in his Refce. Roc.A1.4912/43 dated 26-8-1943 (copy enclosed) has reported the various additional items of work that have contributed to the increase of work and how these additional subjects are distributed among the clerks of his office. Although the Civil Supplies Branch which was consulted in the matter is of the opinion that the control of the civil supplies work does not appear to be beyond the competence of two section heads (Huzur Sarishtadar and Huzur Head Clerk) the Board considers that there is other extra work due to war and the rapid growth of the work on account of a great variety of war subjects has probably not been organised in the best manner such as can be done after its size and kind are known as they are now. In the circumstances, the Board recommends that the Government may be pleased to sanction the employment of an additional Huzur Head Clerk of the grade of a Deputy Tahsildar for a period of six months from the date of employment.

Copy of letter from the Collector of South Kanara, No. Roc. A1-4912/43 dated 26th August 1943:-

Ref:- Board's Refce. W.No. 3206/43-1 dated 30-7-1943.

The work in my office has undoubtedly increased owing to the war. There are 3 additional clerks and a typist sanctioned for war work. Out of the three additional clerks (A6, B6 and C5) sanctioned two are working in the correspondence section of my office and the third in the Magisterial section. As these three clerks alone were not able to cope with the war work, it was distributed among 5 more subject clerks of the correspondence section. The particulars of the subjects dealt with and the statistics of work done by the several clerks are given below:-

Note.- About 2,000 more applications are expected from the Hosdrug sub taluk where a special Revenue Inspector is at present working.

Over and above these items of statistics, additional work is expect under the various schemes connected with rationing, the 'Grow More Food' drive and the loans sanctioned thereunder. The work in my office has increased very considerably all round and my office finds it difficult to devote that amount of attention which each item requires. Hence the need for the employment of an additional Huzur Head Clerk in my office to cope with the increase of work due to war.

Subject:- Survey - Roads in Avanasi, Gobi Chattipalayam and Kollegal Taluks - Coimbatore Dt - Cost of Scrutiny and Mapping - Furnished.

I appended herewith two Statements regarding the cost of Scrutiny and Mapping of the 659 road fields mentioned above.

Statement 'A' - is the cost worked out with reference to the Collectors figure of Rs 330 for the pay of 11 draftsmen for one month

Statement 'B' - is the cost arrived at according to the actual requirements for the work

The estimate given to the Collector in the first instance was merely an approximate one & was probably made to cover generously the cost of all items of work

Statement 'B' - is the cost that would actually be incurred in the work when done in the Survey office.
